How to make deposit:

You'll need to have **Bitcoins, Ethereum, Litecoin, Tron** to make your deposit, and you can do this from the deposit section of

Your personal account. Choose from any of the investment plans that you like and make a deposit.

The minimum deposit amount is \$50, and you're allowed to make as many deposits as you see fit. However, every deposit is treated as a separate investment.

How To Invest:

Once your deposit is approved, you can proceed to join an investment plan. Simply click on join plan.

How to Withdraw:

To get your payout, you have to make appropriate request in your account. Go to Withdraw funds section and enter payout amount that you want to withdraw. Once your request is made, the system will process it instantly
